The Suspended Meeting of February 29, 2024 was called to Order at 6:00 pm. By President Jed Lowry. Those present were John McGilvary, Dan Borba and Janice Burke.

President Lowry explained the original meeting of 2/29/24 was not closed due to the information we had from our former attorney and that we did not have enough (114) votes to pass any changes to the 3 rules and 1 Amendment that was presented. Further, President Lowry explained how we did a recount and came up with the names of residents who had not voted and that those residents had an opportunity to vote up to the meeting of 5/2/24.

The additional 13 Ballots were counted, for a total of 128 Ballots. We attained the following final Count:

Pets	70 yes - 58 no	Did not pass
Enforcement	87 yes - 41 no	Passed
Parking	98 yes – 29-no	Passed
Capital Improvement	71 yes – 57 no	Did not pass

President Lowry stated that the paperwork would go to our attorney and the process for State/County approval would be sought.

Motion to adjourn was made by Resident Lissa Mauro and 2nd by Ted Stone. All were in favor.
