**THE NOBLE AND THE BRAVE:  
A VETERAN'S DAY TRIBUTE**

When America had an urgent need,  
These brave ones raised a hand;  
No hesitation held them back;  
They were proud to take a stand.

They left their friends and family;  
They gave up normal life;  
To serve their country and their God,  
They plowed into the strife.

They fought for freedom and for peace  
On strange and foreign shores;  
Some lost new friends; some lost their lives  
In long and brutal wars.

Other veterans answered a call  
To support the ones who fought;  
Their country had requirements for  
The essential skills they brought.

We salute every one of them,  
The noble and the brave,  
The ones still with us here today,  
And those who rest in a grave.

So here's to our country's heroes;  
They're a cut above the rest;  
Let's give the honor that is due  
To our country's very best.
