BOARD MEETING AND ASSOCIATION FORUM: THURSDAY, April 2 at 6:00 p.m.

Location: Community Building and Zoom

DIRECTORS CORNER:

We would like to take a moment to remind all residents who own dogs of an important community guideline regarding pet etiquette. While we understand that pets are a valued part of many households, it is essential to be mindful of where they are allowed to relieve themselves.

Please ensure that your dogs are not permitted to enter or use other residents' private property for this purpose. This includes lawns, gardens, landscaped areas, and any other privately maintained spaces. Even when cleaned up, this can cause inconvenience and frustration for your neighbors.

We kindly ask that you:

- Keep your dogs on designated areas or your own property.
- Immediately clean up after your pets.
- Be respectful of neighbors' spaces and landscaping.

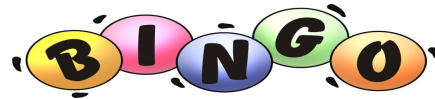

Your cooperation helps maintain the cleanliness, appearance, and harmony of our community. Thank you for your understanding and for being considerate neighbors.
